

Children's Museum of Houston Seeks Multimedia Production Intern for Fall 2019

Flexible Hours!

Internship Length: Sept. 16 to Dec. 20

SUMMARY:

The **Children's Museum of Houston's** award-winning Marketing Communications and Public Relations team seeks one **(1)** enthusiastic team player to serve as **Multimedia Production Intern for Fall 2019**. **Interviews are happening now!**

Serving more than 1.3 million people annually, America's No. 1 Children's Museum of Houston delivers on its mission of transforming communities through innovative child-centered learning. Educational exhibits and programs provoke curiosity and inspiration in every child and instill a passion for lifelong learning. Can your mind come out to play?™

WHAT YOU'LL GAIN:

- Multilayered Video Editing
- Live Event Experiences
- Photography basics
- Creative Development and Delivery
- Basic knowledge about audio and video (color, compression, frequencies, rates)
- Basic motion animation composition and 3D composition using Motion
- Basic Production Management (Online and On-location)
- Audio and Video Equipment Management (Cable types, cameras, lenses)
- Creative Online Research and Data Keeping

RESPONSIBILITIES:

You will spend most of your time doing **some of the following:**

- **Video Editor:** Help edit Museum's videos using FCPX or Adobe Premiere Pro.
- **Event Videographer/Photographer:** Engaging Museum followers by assisting in live or pre-produced video/photo recordings.
- **Multimedia Content Manager:** Manage local and on-line multimedia storage sites and help with weekly FTP traffic. This may include updating video content at Museum exhibits.
- **Film Day/Shoot Coordinator:** Assist in securing rentals/contractors, creative input and research, organizing equipment/crew and schedules.

REQUIREMENTS:

Ideal candidates should:

- Be college juniors, seniors or recent graduates
- Be able to work a minimum of 30 hours a week (Schedules are flexible)
- Have video editing skills with FCPX or Premiere Pro
- Have fluid work experience with both Mac and PC
- Know basics in video and audio formats/compression/delivery methods
- Have the ability to help with creative input (scripts, storyboards, shots, creative process)

****Bonus points if you have some musical skills, drawing skills, or even knowledge of professional film shoots!*

To apply, please submit the following to Digital Video Producer **Anthony Orantes** (apo@cmhouston.org):

1. **Resume**
2. **Cover letter**
3. **Availability (including days and times)**
4. **One sample video with your edits**
5. **One sample of any other media demonstrating your skill (Music, illustration, photography)**
